THE STORY

Chapter 31 – The End of Time

THE NEW HOLY CITY

GOD HAS _____ FOR US

The angel who talked to me held in his hand a gold measuring stick to measure the city, its gates, and its wall. When he measured it, he found it was a square, as wide as it was long. In fact, its length and width and height were each 1,400 miles. Then he measured the walls and found them to be 216 feet thick (according to the human standard used by the angel).

Revelation 21:15-17 NLT

PLENTY OF _____

Then the angel showed me a river with the water of life, clear as crystal, flowing from the throne of God and of the Lamb. It flowed down the center of the main street. On each side of the river grew a tree of life, bearing twelve crops of fruit, with a fresh crop each month. The leaves were used for medicine to heal the nations.
